

# THE PLASTEK KILNER JARS

*The Plastek Group is an international tool maker and moulder in the plastics industry, with manufacturing locations in North America, South America and Europe.*

*The Plastek range of Kilner jars offers all of the benefits of the traditional Kilner jars but in shatter-proof PET rather than in glass.*

*A winning combination!*

**PLASTEK**  
GROUP

# THE PLASTEK KILNER JARS

## Technical Information

- ◆ Jars and lids are moulded in Polyethylene Terephthalate (PET)
- ◆ Straps are manufactured in galvanized wire
- ◆ Seals are manufactured in food-grade nitrile rubber
- ◆ All jars are supplied with the lid, strap and seal fully assembled

## Decoration Options

- ◆ Jars may be printed and/or labelled (please ask for specific details per jar size)
- ◆ Jars can be printed in up to 3 colours

- ◆ Lids may be printed, gold blocked and moulded with a customised logo
- ◆ Jars and lids may be moulded in custom colours/finishes
- ◆ Seals may be manufactured in custom colours

## Other sizes/shapes

- ◆ The Jars are manufactured by the Injection Stretch Blow Moulding process, meaning that new shapes/sizes are possible from the existing preforms so please contact us for more information about this if you cannot find the shape/size that you require
